HE COULD HARDLY WALK.

Deranged kidneys cause rheumatism, aches, pains, soreness, stiffness. Ambrose Gary, Sulphur, Okla., writes: "I was bothered with kidney trouble ten years and at times could hardly walk. I began taking Foley's Kidney Pills. I got relief from the first but continued till I had taken three bottles. I feel like a new man." For sale by Reed & Burnett.

Such tobacco enjoyment

as you never thought could be is yours to command quick as you buy some Prince Albert and fire-up a pipe or a home-made cigarette!

Prince Albert gives you every tobacco satisfaction your smoke-appetite ever hankered for. That's because it's made by a patented process that cuts out bite and parch! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

On the reverse side of this tin you will read: "Process Patented July 30th, 1907," which has made three men smoke pipes where one smoked before!

PRINCE ALBERT

the national joy smoke

has a flavor as different as it is delightful. You never tasted the like of it! And that isn't strange, either.

Buy Prince Albert everywhere tobacco is sold in tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and that corking fine pound crystal-glass humidor with sponge-moistener top that keeps the tobacco in such clever trim—always!

Men who think they can't smoke a pipe or roll a cigarette can smoke and will smoke if they use Prince Albert. And smokers who have not yet given P. A. a try-out certainly have a big surprise and a lot of enjoyment coming their way as soon as they invest in a supply. Prince Albert tobacco will tell its own story!

Monterey

Mrs. Nina Beatty has returned from a prolonged visit with relatives in Monterey county.

Crops and gardens in this vicinity look fine. There has been an adequate supply of rainfall for almost all kinds of crops planted, and surely there is no dearth of foodstuffs the coming winter.

Monterey is to have a Chautauqua course the coming week. Besides the Chautauqua attractions there will be other big guns like Supt. Sherrill, Congressman McKellar, Harvey Hannah and probably others. The American eagle will doubtless soar high and we expect most of his feathers will be plucked before the occasion is over. Educational and agricultural subjects are to be handled and that too, without gloves.

School bells have been ringing in Putnam county rural schools for two weeks past. Your scribe rings the bell and brandishes the birch at the Verbie school house, four miles south of town.

The recent county election here resulted in a walk-over, as usual, for the democratic nominees, with majorities around the thousand mark. As a rule Gen. Apathy was in the saddle, except in the race for constable, where John Choate was elected over Gaither Riddle, the present incumbent, and three other candidates, by a majority of 6 votes.

A great relief was almost unanimously expressed in this community when it was learned that the Deutschland had sailed for Bremen. For three long weeks our suspense had been almost unbearable to think of that Dutch dapper of the high seas being tied up at one of our wharves. If an emissary of the entente alliance had seen that queer looking craft in our possession the high seas would shortly have been lashed to foam by the swish of war vessels coming over here to demand where we got her. Then it would have been up to us to prove an alibi and deny the charge. But of course President Wilson could have "wrote" another note and excused it all for us. He's good at that, ain't he Si?
